Description

This apartment is located in the Acequion area of Torrevieja, within one of the established residential quarters in the southern part of the city. The Acequion district is known for its developed infrastructure and pedestrian accessibility to key urban amenities, providing convenience for everyday life.

The living area of the apartment is 85 square metres. The layout features three bedrooms, allowing the creation of separate spaces for sleeping and working. This number of rooms suits a family with children or shared living among several adults. Two bathrooms provide practical distribution of morning and evening routines among resid...
