## Description

This apartment is situated in the Acequion area of Torrevieja, one of the well-established residential neighbourhoods in this coastal city. The Acequion district combines convenient urban infrastructure with proximity to the Mediterranean shoreline, making it a practical location for year-round living.

The property offers a total living area of 85 square metres. The layout includes three bedrooms, each providing sufficient space for comfortable daily use. Two bathrooms serve the household, allowing for practical distribution of morning and evening routines among residents without the inconvenience of sharing a single facility.
