## Description

Apartment in the Cabo Cervera Area, Torre Vieja

The Cabo Cervera area is located in the eastern part of Torre Vieja and is considered one of the most well-maintained residential neighbourhoods in the city. The area features tidy streets, green spaces, and proximity to a rocky coastline with small coves. The neighbourhood offers shops, restaurants, cafes, and public transport connections. Cabo Cervera attracts residents who value the combination of residential tranquillity and accessibility to urban infrastructure. A significant number of international residents live here, creating a multinational atmosphere that makes newcomers feel ...
