## Description

Apartment in Torrevieja

This property is located in Torrevieja, one of the most well-known coastal towns on the southern Costa Blanca in the province of Alicante. Torrevieja attracts residents from various European countries thanks to its climate, developed infrastructure, and wide range of housing options. The city provides everything necessary for comfortable daily life, from medical facilities and educational centres to shopping complexes and sports amenities.

## Property Specifications

The apartment offers a total constructed area of 102 square metres, which represents a spacious
