Description

This apartment in Torrevieja covers 110 m² of living space and is situated in one of the populated neighbourhoods of the Costa Blanca South coastline. The property is in ready-to-live condition, meaning the renovation and finishes are complete and require no further investment before moving in. The layout comprises 3 bedrooms and 2 bathrooms.

Three separate bedrooms provide ample space for family living. The rooms can accommodate parents, children, or guests, and one bedroom can be repurposed as a home office or hobby room if needed. Having 2 bathrooms ensures convenience when several people share the home — morning routines and ev...
