## Description

This apartment is located in the Centro district of Torre Vieja, a coastal city on the Costa Blanca in the province of Alicante. The property sits in the historic and business core of the city. The total area of the apartment is 250 square metres. The apartment has four bedrooms and two bathrooms. The property is sold furnished and features a terrace. The residence is in move-in ready condition.

The interior layout of the apartment benefits from a spacious configuration typical of properties of this size. Four bedrooms accommodate a family with children or allow for dedicated workspaces. The living room is a generous space with natu...
