Description

This studio apartment is located in the Centro district of Torrevieja, a coastal city on the Costa Blanca in the province of Alicante. The property sits in the historic and commercial heart of the city, where the main urban infrastructure is concentrated. The total area is 27 square metres. The apartment has one bedroom and one bathroom. The property is in good condition and ready for occupancy.

The interior layout of the studio is designed to make efficient use of the compact floor area. The living area is combined with the kitchen, forming a single functional space. The sleeping zone is separated visually or by a partition, provi...
