## Description

This bungalow is located in the Torretas area of Torrevieja, on the Costa Blanca coastline in the province of Alicante. The property has a total area of 77 square metres, with two bedrooms and one bathroom. The bungalow has been refurbished, is sold fully furnished, and is equipped with air conditioning. The distance to the sea is approximately 2000 metres.

The interior of the bungalow is organised rationally, taking into account the needs of daily living. The layout includes two separate bedrooms, a bathroom, a kitchen, and a living area. The refurbishment has been carried out using modern finishing materials, giving the interior ...
