Description

This bungalow of 46 m² is situated in the Torretas area of Torreveija, on the Costa Blanca coast in the province of Alicante. The property comprises two bedrooms, one bathroom, and a terrace. It is in ready-to-live-in condition, meaning it is prepared for immediate occupancy without the need for any additional renovation or repair work.

The interior space of the bungalow covers 46 square meters. Two bedrooms provide separate sleeping areas suitable for a family or guests. The bathroom is fully equipped for daily use. The compact layout has been designed to maximize the efficient use of every square meter. The property is completely...
