Description

This house of 140 m² is located in the Acequion area of Torrevieja, on the southeastern coast of the Alicante province. The property features one bedroom and one bathroom, and it is currently in conditions requiring renovation. This format presents an opportunity to create a fully customized living space tailored to your personal preferences and lifestyle requirements.

The interior of the house encompasses 140 square meters of living space. The single bedroom provides ample room for comfortable accommodation. The bathroom is equipped with standard plumbing connections. The layout allows for efficient use of every square meter, and ...
