Description

This apartment is located in the Centro district of Torrevieja, offering a living space of 84 square meters. The property is in its original condition, providing the new owner with the opportunity to customize the interior according to personal preferences. The Centro area represents the heart of the city, where the main urban infrastructure is concentrated.

The interior layout comprises two bedrooms and one bathroom within the 84 square meters of living space. The floor plan provides sufficient room for comfortable living for a family or a couple. The property comes fully furnished, which significantly simplifies the move-in process...
