Description

A penthouse in the Acequion area of Torrevieja — a spacious residence in ready-to-live-in condition, situated in close proximity to the sea. The total area of the property is 76 m², and its position on the upper floor of the building provides abundant natural light and a feeling of openness. The Acequion district occupies a favourable location in the southern part of Torrevieja, combining urban infrastructure with proximity to one of the city's most popular beaches.

The layout of the penthouse includes 2 bedrooms and 1 bathroom. The bedrooms are arranged to ensure comfort and privacy for each occupant. The living space of 76 m² is ...
