Description

This penthouse in Torrevieja spans 52 square metres and is in ready-to-live condition, allowing immediate move-in after acquisition. The property is situated on the top floor of a residential building, providing maximum privacy and favourable vantage points. The penthouse is fully furnished, eliminating the need for additional expenditure on fitting out the home. Torrevieja is one of the most popular cities on the Costa Blanca coastline, attracting residents from various countries with its favourable climate and well-developed infrastructure.

The layout of the penthouse comprises 2 bedrooms and 1 bathroom. The 52 square metres are ...
