Description

This apartment in the Acequion area of Torrevieja is situated 50 metres from the sea. The property has a total constructed area of 93 m², with a layout comprising 2 bedrooms and 1 bathroom. The property is partially renovated, meaning it features updated elements alongside areas that can be further finished at the discretion of the new owner. The apartment is equipped with a terrace offering sea views, adding extra space for relaxation and daily use.

The apartment layout is functional and well-considered. Two bedrooms provide comfortable accommodation, while the overall area of 93 m² allows for a spacious living room and kitchen zo...
