## Description

Bungalow in the Aguas Nuevas area of Torrevieja — a compact property with a swimming pool, parking and terrace in a residential neighbourhood on the southern Costa Blanca coast. The property is in good condition and situated in a quiet area with well-developed everyday infrastructure.

The Aguas Nuevas area is located in the western part of Torrevieja, away from the tourist bustle of the city centre. It is a predominantly residential quarter with low-rise development, where townhouses and bungalows prevail. Local infrastructure includes supermarkets, small shops, restaurants and bars. Pharmacies and medical facilities are within wal...
