Description

This apartment in the RioMar area of Pilar de la Horadada is a compact 63 m² property in nearly new condition. It comprises 2 bedrooms and 1 bathroom and is sold fully furnished, enabling immediate move-in after completing the purchase.

The interior layout of the 63 m² apartment organizes the space efficiently across two bedrooms, a bathroom, and a living area. Despite its compact size, having two separate bedrooms provides privacy for the occupants. Furniture is included in the property, simplifying the moving process and reducing initial setup costs. An air conditioning system is installed and ready to use, which is important for...
