Description

Apartment in Playa del Cura, Torrevieja — a residential property covering 67 m² with 2 bedrooms and 2 bathrooms, situated in immediate proximity to the sea. The distance to the beach is 50 metres, providing virtually instant access to the shoreline. The property has been refurbished, with the interior spaces renewed and prepared for habitation.

The 67 m² floor area is functionally arranged for comfortable use by two to three occupants. The two bedrooms are positioned separately, each benefiting from natural light through windows. Having two bathrooms with two bedrooms is a notable convenience, potentially allowing each sleeping are...
