Description

Buy a home in Spain. La Marina area, 2 bedrooms, 80 m², Spain. Villa — set in San Fulgencio on the sought-after Costa Blanca, this villa brings together manageable interior space, useful outdoor features and a location that continues to attract British buyers looking for a property in Spain for holidays, longer stays or year-round living.

La Marina is known for its established residential feel, with a mix of permanent residents and international owners who value convenience, familiar services and straightforward access to everyday amenities. In this part of San Fulgencio, life tends to follow an easy rhythm: local shops, cafés an...
