Description

Penthouse in Torrevieja, Centro area, offering a straightforward layout, a central setting and the convenience of being ready to live in from day one. Located on the 5th floor of a building with lift, this 2-bedroom, 1-bathroom property has a total built area of 58 m² and comes furnished, making it a practical option for anyone looking for a property in Spain on the Costa Blanca without the need for immediate work or renovation.

The Centro area remains one of the most established parts of Torrevieja, known for its everyday convenience and year-round activity. Shops, cafés, services, supermarkets and transport links are all close ...
